Sir,

We believe that those consultations are outstanding as of today but we were not the POCs during the time of the consultations. We are retracing the process to find out where it was left off at (if at all) and looking into our files to find the latest status of the requested items. I'll update you as we move forward.

Good afternoon,

I'm unable to provide an update until tomorrow (Friday, 28 June). The point of contact for the 2 consultations is currently out of office facilitating a DON mandated JAG SAPR training. I will update you as soon as I find out.

Very Respectfully,

LN1 (b) (6)

Subject: Action Item due June 21, 2013 - Quarterly FOIA Reporting  
Importance: High

DON FOIA Community,

The consolidated DON FOIA 3rd Quarterly Report is due on July 3, 2013 to DoD. Due to the Fourth of July holiday, we have requested that submissions be sent to DNS-36 by June 21, 2013. This is to ensure that all components information is included when DNS-36 submits the final consolidated report to DoD. Furthermore, the data for the week of June 24-28 can be carried over and will be reported on the FOIA 4th Quarterly Report.

Also, attached is the correct form to be completed.

Respectfully,

Robin Patterson
